BMEP Report 2019(January to July month)

Location: NIT Durgapur campus

Community: Bihari More near NIT gate No 7 and Ranchi Colony.

January month

Resumption of class:

Semester break ended to unpack impeccable pleasure emanating out of innocent and pristine smiles of children waiting eagerly to clutch our hands and frolic their way to LG 14 where they bath in joy of learning. In resonance with every year, this time too each one of us pledged to add more smiles and more learning to help them nurture their inner self. The very first class was buzzing with more than 70 students. After the class a meeting was held to discuss the planning and execution of events and various activities throughout the semester.

26th January celebration:

To the whole globe, we extend well wishes for the republic day and hope the spirit of democracy will heal our soul to accept plurality for holistic growth of the country. We celebrated the day with our students in Christopher mission school inculcating its essence. We can't help not sharing the pictures which will definitely make your day.

13th January, Alumni meet:

On the occasion of '17th Global Alumni Meet, team BMEP organized donation camp and we owe much to the generous hearts for the collection of INR 15,000. They were kind enough to pledge further assistance which we wholeheartedly welcome.

February month

7th February:

Team BMEP values and respect decision of CCA to give opportunity to the kids to show their cultural as well as technical abilities to prestigious crowd gracing the arena of Aarohan – the annual techno management fest of NIT Durgapur. **Aarohan 2019** was a great experience for children as well as Team BMEP and it will surely inspire the kids to follow IDEATE INNOVATE INSPIRE motto of CCA for their future endeavor. These activities will improve their creativity, learning, leadership quality and team management. Kids performed on the stage of Aarohan.

Mini sports day, 9 February:

A fit child is more likely to be well-rested and mentally sharp. Physical activity stimulates growth and leads to improved physical and emotional health. So to inculcate the importance of sports in children the team BMEP organized sports day for the kids on 9th February 2019. All the kids participated in the various competitions and games organized for them and snacks were provided for their refreshment. 60+ students and 30 volunteers participated in Mini Sports.

Monthly meeting, 19 February:

Team BMEP is very inclusive and its every leap is fueled by the ideas and suggestions of peoples around. It was great honor for us and much edifying to listen respected Joya chatterjee ma'am discuss idea of basic education to all children, fundraising and other crucial matters pertinent to growth of kids. The way ma'am applauded our achievements till date was real boost for us. We are highly inspired by her vision and work in the upliftment of society and people. We are looking forward to translate her words into action.

March month

Medical Camp:

Bringing proudly into the open, Team BMEP conducted a **free medical camp at Medical Unit, NIT DURGAPUR, on 9th of March, 2019** in which around **110 kids of nearby slum areas were examined and diagnosed by proficient doctors of the MISSION HOSPITAL about their health problems accordingly**. Apart from medical camp, we conduct various other health and cleanliness awareness programs among its students throughout the year keeping in mind about our goal of academic, physical, mental, psychological, ethical and behavioural development of our students.

The conclusion is to ensure global health by sensitizing its need among the masses. Make your health your priority.

Stay healthy! Stay efficient!

April month

Last Class of Session 2018-2019:

April was the last working month of this session before the semester break. Classes will again start from the next session. The volunteers staying in college campus visits kids home and teach them during that time.
